Issue 28 of 2018

Friday 21 September 2018

Principal's report

Next week is a very special week at James Ruse. We celebrate and farewell Year 12 at our Graduation Assembly on Monday. On Tuesday we will enjoy Year 12's final concert and on Wednesday they will spend the day at Balmoral Beach. Year 12 then begin STUVAC to allow them time to consolidate and practise for their HSC examinations.

On Wednesday 26th September we officially open our Gymnasium. The ceremony will begin at 4pm and conclude at 4.30pm. Mr Murat Dizdar, Deputy Secretary, School Operations and Performance will officially open the Gymnasium. Everyone, students and parents are welcome to attend.

At 4.30pm we will enjoy watching a number of games in the Gym. At 5.30pm ILLUMINATE will begin. Please bring your families to enjoy the spectacle of our very own VIVID. Year 10 MDC have led the programming of our event. Many surprises are to come but I expect a range of immersive experiences from discos to puzzle rooms. The event runs from 5.30 to 7.30pm.

Congratulations to our Cadet Unit, who demonstrated superb discipline and drill on Friday during their passing out parade. It was a very moving parade with our very own student pipers and drummers. Thank you to Piper Major Nick Train, Drum Sergeant John Tate and Piper John McIntyre who have trained our students each week and accompanied them on parade.

On Sunday last week, the prestigious Terrey Shaw Shield Secondary Chess Championship was held at North Sydney Boys HS. Our team was comprised of Kevin Willathgamuwa (Board 1), Rowan Willathgamuwa (Board 2) and Raymond Li (Board 3). The boys had to play 5 rounds and at the end of the 5th round we were equal to NSBHS. Ruse was decided winner on a count back. According to Mr Khoury and parents present, it was a very stressful and nail biting event. Congratulations to our team and thank you to Mr Khoury.

Congratulations also to our Stage 4 English Enrichment who entered Sydney Water's "Brand Without a Bottle" competition and won 2nd Prize and \$2000. Their fabulous video can be viewed at <http://oursydneyourwater.com.au/brand-without-bottle/>

Top Row: Sayuni Wijayatunga, Macy Gou, Darshanik Aryal, Jonathan Wang, Yuhan Qi
Bottom Row: Alex Yoon, Chloe Lee, Amaleen Andrew

On Tuesday night we witnessed another spectacular Classical Concert. It was a very special night and the Bands, Ensembles and Strings orchestras were superb and uplifting. Thank you to Mr Richard Brus, Mr Richard Sandham and Dr Anthony Clarke.

Coming Events

Week 9B

Monday September 17th Year 10 and Year 11 Visual Arts Excursion

Tuesday September 18th 6.30pm Classical Concert

Thursday September 20th Year 10 Bathurst Excursion
6.30pm Year 11 Information Night
Year 9 Visual Arts Excursion

Friday September 21st Year 10 Bathurst Excursion
Year 8-11 New Student Orientation
Year 8 Cross Curriculum program begins

Saturday and Sunday September 22nd and 23rd Cadet Bivouac

Week 10A

Monday September 24th Year Cross Curriculum Program
Year 12 Graduation Ceremony and Luncheon

Tuesday September 25th Year 12 Final Assembly

Wednesday September 26th Year 12 Beach Day
Gymnasium Opening 4pm
Illuminate 5.30pm

Thursday September 27th Year 7 Taronga Zoo Science Excursion

Friday September 28th Gold Hike begins

Term 4, Week 1B

Monday October 15th Assembly Period 3

Thursday October 18th **HSC Exams begin**

Saturday and Sunday 20th and 21st 2nd Bronze Hike

Week 2A HSC Exams continue

Tuesday October 23rd CoJR P&C AGM 6.30pm

Friday October 26th Year 8 Small Farms Agricultural Excursion

Have a wonderful and refreshing holiday.

Megan Connors

2018 NSW CURRICULUM REVIEW

The NSW school curriculum is under review. This is the first comprehensive review of the whole curriculum since 1989.

The review aims to equip students to continue to contribute to Australian society in the 21st century.

Get your P&C involved by submitting your feedback online or by attending one of the roadshows lead by Professor Geoff Masters.

Consultation is open from the 3rd of September to the 30th of November

IMPORTANT INFORMATION

The NSW Government has outlined key dates for the closure of Sydney's rail line between Chatswood and Epping, for its upgrade and integration into the new Sydney Metro Northwest line.

The heavy rail line between Chatswood and Epping, which was only opened in 2009, will be closed on September 30, 2018, and will remain shut until the new Sydney Metro Northwest line begins services early next year.

HSC students ensure you allow extra time getting to your HSC exams due to the closure of the Chatswood to Epping rail line from the 30th September until early next year. If parents are able to drive you to the exams, that would be ideal. Further information regarding the closures can be found in the links below.

<https://www.mysydney.nsw.gov.au/stationlink>

<https://www.sydneymetro.info/station/epping-chatswood>

Griffith University Medical Science (D Medicine provisional entry)

If you are looking to apply for the B Medical Sc (D Medicine provisional entry) @ Griffith University follow the application instructions below. It is campus specific.

If you are applying to the B Med Sc @ Nathan Campus you can ONLY apply through QTAC

If you are applying for the B Med Sc @ Gold Coast Campus you can apply through QTAC or UAC.

UNSW Medicine Application Process Changes for 2019 Entry

UNSW has slightly changed the process for how they choose the medicine interview applicants.

The school no longer gives UNSW an estimate ATAR.

UNSW will look at your ACTUAL ATAR and then notify you on the 14th December if you were successful in gaining an interview.

Interviews will then happen from the 17th- 21st December.

Medicine offers should then be published in the January Round 1, *however this was not confirmed by UNSW.*

Macquarie University - Campus Tours - NSW

Thursday 13 September, 4pm - 5.30pm

Saturday 22 September, 2pm - 4pm

Monday 24 September, 4pm - 5.30pm

Tuesday 2 October, 4pm - 5.30pm

Monday 8 October, 4pm - 5.30pm

Monday 29 October, 5pm - 6.30pm

Friday 2 November, 4pm - 5.30pm

Saturday 3 November, 2pm - 4pm

Monday 5 November, 5pm - 6.30pm

Thursday 8 November, 5pm - 6.30pm

Saturday 10 November, 2pm - 4pm

Wednesday 14 November, 5pm - 6.30pm

Saturday 17 November, 2pm - 4pm

Tuesday 20 November, 4pm - 5.30pm

Saturday 24 November, 2pm - 4pm

Tuesday 27 November, 5pm - 6.30pm

Thursday 29 November, 5pm - 6.30pm

Saturday 1 December, 2pm - 4pm

Monday 3 December, 5pm - 6.30pm

Wednesday 5 December, 4pm - 5.30pm

Saturday 8 December, 2pm - 4pm

Tuesday 11 December, 5pm - 6.30pm

Thursday 13 December, 5pm - 6.30pm

Tuesday 18 December, 4pm - 5.30pm

On every tour you'll see various lecture theatres, our award-winning library, the Sport & Aquatic Centre and the Campus Common. Find out more - <https://www.mq.edu.au/study/why-study-here/our-campus/campus-tours>

The University of Sydney - Portfolio Day - School of Architecture, Design & Planning

October 6 | Darlington, NSW

The Portfolio Day is a fantastic opportunity for you to meet our academic staff and receive feedback on your portfolio. You can also choose to submit your portfolio for admission on the day if you're feeling confident.

Find out more - <https://www.eventbrite.com.au/e/portfolio-day-2018-sydney-school-of-architecture-design-and-planning-tickets-49925335021>

Western Sydney University - HSC True Reward

Our unique program makes an early offer into a University degree based on corresponding HSC subject band outcomes, not the ATAR. Application are now open to all 2018 NSW HSC students.

Read more - <https://www.westernsydney.edu.au/future/study/application-pathways/hsc-true-reward.html>

ACU Bachelor of Education Studies

The [Bachelor of Educational Studies](#) has been designed for students who are passionate about becoming teachers, but do not achieve the entry requirements.

Students who successfully complete their first year of study (subject to meeting certain progression and non-academic requirements) will be guaranteed entry into the second year of the [Bachelor of Education \(Primary\)](#) or the [Bachelor of Education \(Early Childhood and Primary\)](#).

For more information about pathways into ACU early childhood, primary or secondary teaching courses, see [our website](#) -

http://www.acu.edu.au/about_acu/faculties_institutes_and_centres/education_and_arts/schools/study_areas/education_pathways

Special Consideration & Educational Access Schemes

If you've experienced something that's had a negative impact on your marks in Year 11 & 12, **DON'T GIVE UP!** There are schemes designed to help you gain recognition for your work, so read on: Special consideration isn't designed to give you an advantage and it's not a privilege. It simply makes applying to University fair for everyone.

These schemes give universities the opportunity to assess the impact of your individual situation on your studies and results, and if they consider that you've been negatively impacted, but still shown determination and hard work, an adjustment or change your ATAR or OP results may be made.

So if you've been sick, injured, grieving, live in a regional or remote area, or spent time caring for another family member applying for special consideration could help your chances of being offered a spot at uni.

You can apply directly to individual institutions (details can be found on their websites), but often you can simply include the application as part of your general application to University.

We know how hard it can be to understand the process - that's why we've done the hard work, read through all the relevant information and called the processing bodies themselves to clarify what you need to do. This blog covers what you need to know, but if you're confused or want more help please get in touch with the processing body in your state or university directly to find out more.

HOW TO FIND SCHEMES AND CHECK IF YOU ARE ELIGIBLE

NSW & ACT - [UAC](#) THE EDUCATIONAL ACCESS SCHEME (EAS)

To apply for EAS you'll have to be able to prove that your Year 11 and or 12 studies have been negatively impacted for a period of 6 months or more, as the result of circumstances beyond your control or choosing.

You'll also have to be a UAC undergraduate applicant and an Australian citizen / permanent resident.

WHEN WILL YOU FIND OUT IF YOU'VE BEEN SUCCESSFUL?

You won't be notified of a YES or NO response to your application; you'll just get an offer as part of the undergraduate offer rounds. Here's how the system works:

1. Once you've submitted your application for special consideration, the processing bodies will check that the forms have been filled out correctly and that all the necessary documentation has been supplied and matches the requirements
2. When your ATAR/OP results are published your special consideration application along with the course application will be forwarded to the Universities you've applied to on your preferences list
3. Universities have their own weighting systems that they apply to each category / section / reason of the special considerations application. They will increase your selection rank for the course you have applied for (this is called an equity adjustment), **OR** they will allocate you a place reserved for EAS students
4. So, your university choice + course choice + special consideration category + number & quality of applications in your cohort = the adjustment to your ATAR / OP score.

What does all this mean? You won't be told about any adjustments made to your score, but if, for example, you applied to do a Law degree at Monash University which required an ATAR of 95 and your ATAR result was 94, yet you receive an offer, you can assume that your special consideration application got you over the line.

TIPS

- Make sure you allow yourself enough time to complete special consideration applications.
- Getting together all the documentation / supporting information can take several weeks and the cut-off dates aren't too far away. So get cracking.

Special consideration probably won't apply for things such as:

- not completing secondary school
- changing school subjects by choice, resulting in you not meeting entry requirements
- missed time from school for activities that are a personal choice (for example, sport, musical or cultural activities)

HERE'S HOW TO APPLY IN YOUR STATE:

NSW & ACT - UAC

1. Submit your undergraduate application through UAC
2. In your undergraduate application click the "Apply for EAS" button
3. Open the first category of disadvantage and answer all questions. Press "Save" to close the window. If you are eligible, then this category will be added to the "Claimed Disadvantages" section
4. Repeat for each category of [disadvantage](#). They include: disrupted schooling, financial hardship, severe family disruption, excessive family responsibilities, English language difficulty, personal illness / disability, refugee status, school environment.
5. Download a cover sheet for each of your claimed disadvantage categories. These also detail the eligibility criteria and supporting documents you'll require
6. Upload the document cover sheet and any supporting documentation
7. Accept the declaration
8. Submit your EAS application to UAC before the deadline

Tip 1: For a "How to" guide on lodging your application through QTAC see our previous blog [The steps you need to know to apply for University](#)

Tip 2: You can apply after lodging your UAC course application too, by logging into your undergraduate application.

Tip 3: You can also download a hard copy if you're unable to complete an online application. When you post your documents, UAC will scan and upload them and return the originals to you

Tip 4: Get all your documentation together so you can upload and submit it all at the same time. Your application can't be assessed until all your documentation has been received by UAC

Note: You can only submit one EAS application in each admissions period, so make sure you cover all bases and get it done in time

DEADLINES

UAC - Applications are open now and you should aim to get your course and EAS applications done by **23 November 2018** to make sure you'll know if you're eligible to change your preferences in time for the main round of offers.

Year 8 Cross Curriculum Project

Year 8 would like to invite all parents to their Trade Show next Thursday 27th September in the Hall between 11- 1pm. Come and vote and see some exciting and innovative designs for sustainable development.

Prefect Update (Week 9)

We'd like to start by saying a big congratulations to Year 11 for completing their final preliminary exams last week. Even though receiving results is daunting, keep your heads held high and enjoy the break before Year 12. As we approach the end of term, there are a number of events and activities organised by both staff and students that we'd like to take the opportunity to acknowledge.

CADETS

Last week, our cadet unit conducted their annual Cadet Pass Out Parade to honour the commitment and leadership of our Year 12 cadets. Our ex-principal Michael Quinlan was invited to inspect our unit and speak at the assembly, where he shared some insightful anecdotes about James Ruse while he was Principal. We'd like to thank the Year 12 cadets for their spectacular leadership of the cadet unit for the past year and welcome the new Year 11 leadership team for the following year.

3 ON 3 SOCCER

We're in the final stages of our annual 3 on 3 Competition with finals underway already. With the junior boys final yesterday and the girls and senior boys finals early next week, there's always heaps of action down on the oval at lunch. On Thursday, the Students vs Teachers soccer match will be the grand finale to the event. Both our students and teachers teams are ready for a heated and exciting match so make sure you head down to the oval at lunch (extended lunch :o) on Thursday so you don't miss out! The line-ups for the game are being posted on Facebook so check out our Ruse Prefects page to see those.

GYM OPENING

After years of jokes, anticipation and longing, our very own gym is finally here. On behalf of the school, the prefects would like to thank all those involved in making it possible for an amazing gym to be built at our school. Whether it be grade sport, exams or even meditation sessions, the gym will be of great use to our school community. The official opening will be held just before Illuminate next Wednesday (26th September), where there will be an official ceremony followed by games of basketball and volleyball played by students. All are invited (and encouraged!) to come and enjoy the sporting events and general atmosphere.

ILLUMINATE

Our school will be holding the first ever Illuminate, inspired by Vivid Sydney and organised by the CAPA faculty. Our staff and students have been working to create exciting and innovative exhibits for everyone to enjoy, including a silent disco, escape room and laser soccer tournament. Many of these exhibits will be inspired by the different subjects our school offers, so make sure you revise your algebra before heading into the escape room! The event will begin at 5:30 pm, following the official opening of the gym and will span the entire school (maps will be available!). Everyone is welcome to attend and if you'd like more details, visit the Ruse Prefects page.

FAREWELL TO YEAR 12s

This week marks the official last week of our senior students. For us, the prefects, we have all been touched by many of those in the year above us. As role models and mentors, the whole school is grateful for the guidance that Year 12 has provided.

Thank you Year 12 for an amazing 6 years and good luck in the HSC!!

Of course, we can't finish this segment without a joke so in the spirit of 3 on 3 Soccer:

Why did Cinderella get kicked off the football team?
Because she kept running away from the ball.

Until next time. Your Prefects '18-'19

CoJR P&C

Notification of CoJR P&C AGM and Election of New 2018/19 CoJR P&C Committee

When: Tuesday October 23, at 6:30 pm

Where: Lecture Theatre

CoJR P&C will hold our Annual General Meeting where all 2017/18 Committee member positions will be vacated to allow for a new 11-member CoJR P&C Committee to be elected in. Ms Connors will oversee the Election process.

The **5 x Office Bearer** positions available are:

- **President** - normally, this role is taken up by an existing member of the Committee, who will maintain the values, and look to lead the team to improve into the future.
- **Vice President x 2** - as direct support for the President, and as valued leaders of the Committee, works with the team to make things happen.
- **Secretary** - a vital role, to record all minutes of meetings, and assist with the creation of agendas for the meeting.
- **Treasurer** - another vital role, maintains financial records of the CoJR P&C, outlines plan, budget and cashflows.

There are **4 x Executive Committee Members** to be elected who support the above Office Bearers.

2 x Year 7 Parent Rep Executive Committee Member positions will remain vacant until the first COJR P&C forum meeting in February 2019- so if you know of any interested incoming Year 7 2019 parents, please contact CoJR P&C.

Why would you want to be part of the CoJR P&C?

As part of the CoJR, you get a chance to be part of a team of dedicated and supportive group of people, who all share a common purpose - to make James Ruse the best school it can be.

Some of the responsibilities undertaken by being on the CoJR P&C Committee

- Attendance of 2 Tuesday evening meetings per term
 - 1st term meeting is in conjunction with the 6:30pm Forum Meeting featuring a special talk/presentation
 - 2nd term meeting is the 6pm Executive Meeting
- Help organise and deliver fundraising events
- Foster community spirit
- Participate on Selection Panels for Incoming Staff and Students
- Advocate on behalf of the community
- Liaise, support and help facilitate the objectives of the School Executive

If this still sounds like something you would like to be involved in, then please come along to the Election. To be elected, you must attend the AGM with one person to nominate you and another to second that nomination for the committee position you wish to be elected into.

CoJR P&C values and fosters diversity, inclusiveness and equity so welcomes anyone who is interested in helping the CoJR P&C Committee regardless of whether they become elected committee members.

Email us to let us know how you want to help or if you want to know more about the AGM or any feedback.

2018 NSW Curriculum Review - Have Your Say

www.nswcurriculumreview.nesa.nsw.edu.au

The NSW school curriculum is under review. This is the first comprehensive review of the whole curriculum since 1989. The review aims to equip students to continue to contribute to Australian society in the 21st century. Consultation period is between Sept 3 - Nov 30.

Any feedback from the general public from teachers, students, parents and carers, community groups, employers, teacher unions and academics is **valuable** to making the NSW Curriculum the best it can be. The more feedback received the more effective it will be.

Here are some questions found in the **quick feedback** (max 500 words) and **online submission** (max 5000 words) links, found on the flyer, which might be helpful to get you started. They are aimed to keep the conversation as broad as possible so don't be limited by these suggestions.

- What should the purpose of schooling be in the 21st century?
- What knowledge, skills and attributes should every student develop at school?
- How could the curriculum better support every student's learning?
- What else needs to change?

As a united front, we ask the Community of James Ruse to actively take this opportunity to voice our views to NESA - specifically supporting the benefits our students are having by being in a co-educational selective school environment. Submitting as many specific and personal examples of the co-educational selective school experience will help NESA understand how much a selective school education is still a valuable and relevant educational pathway for future gifted and talented children and needs to continue in the NSW Curriculum and National Curriculum.

Quick feedback link: <https://bit.ly/2Q5S0q6>

Online Submission link: <https://bit.ly/2M61Dbj>

This short YouTube video <https://youtu.be/4mFbKI57mvU> features NESA CEO David de Carvalho introducing the NSW Curriculum Review. He discusses the aim of the review and explains the public consultation process the review will include and how you can contribute.

Gym Opening & Illuminate Festival

CoJR P&C thank in advance the volunteers to the Festival Food Stalls and for the Community's continued support by attending these 2 events next **Wednesday September 26**. See you all there!

Yvonne Lo

President, CoJR P&C. E: cojr12@gmail.com

Dear ,

Plan International Australia is delighted to partner with The Growth Faculty to bring you the world's youngest ever Nobel Prize winner, equal rights and education activist, Malala Yousafzai, to Sydney and Melbourne, each for one night only.

At age 11, Malala began her campaign for the rights of girls to receive an education, blogging about life under the Taliban in Pakistan's Swat Valley. Her story continued after surviving a targeted attack by the Taliban at just 15 years old.

Malala will take audiences inside her remarkable story;

"I had a choice: I could live a quiet life or I could make the most of this new life I had been given."

Malala Yousafzai

Now a student at Oxford University, Malala continues to fight for the education of all children, all over the world.

Join us and hear Malala's inspiring first-hand account of life as an activist, student and the youngest person ever awarded the Nobel Peace Prize.

An illuminating and mobilising event, don't miss an evening with Malala.

[BOOK SYDNEY - 10TH DECEMBER](#) | [BOOK MELBOURNE - 11TH DECEMBER](#)

I hope to see you there.

Kind Regards,

Susanne Legena
CEO, Plan International Australia

What's On at Penrith Observatory in October?

Date: Saturday 5 October 2018

Event name: Hands On Workshop: Rockets

Event details:

Speaker - Ms Raelene Sommer A workshop designed for children ages 4 - 12 but lots of fun for all ages. Build and launch paper rockets using compressed air and watch a demonstration of a model rocket launch. Includes presentation, short 3D movie and safe viewing of the Sun through a telescope (weather permitting). PLEASE NOTE: Parents/carers to remain with children at all times. All attendees (parents/carers) require a workshop attendee ticket (\$12). There is plenty to enjoy as part of the workshop, a presentation, 3D movie, and a chance to look at the Sun safely through a telescope. We encourage any adults that wish to participate in building and launching a rocket to purchase additional rocket kits (\$5) to join in the fun. All children must have a child ticket which includes the rocket kit (\$17). All children are expected to participate in building and launching a paper rocket.

BOOKINGS VIA OUR WEBSITE ESSENTIAL

Time: 10am - 12pm

Venue Address: Penrith Observatory (Building AO), Western Sydney University, Werrington North campus, Great Western Highway, Werrington 2747

Contact phone or website for public enquiries and bookings:

https://www.westernsydney.edu.au/observatorypenrith/penrith_observatory/whats_on

Facebook Event: <https://www.facebook.com/events/286133485325986/>

Date: Saturday 6 October 2018

Event name: Public Astronomy Night: Stars, Supernova, & the Size of the Universe

Event details:

Speaker - Dr Luke Bozzetto Come and explore the lifecycle of stars, from their birth all the way to their deaths - in some cases the cataclysmic explosion known as a supernova. Followed by a journey through the Universe - starting from our position on Earth we will explore our surroundings by travelling outward to gain some perspective of the vast space that we live in. Includes presentation, short 3D movie, tour of the dome, and viewing of the night sky through a range of telescopes (weather permitting).

\$18.00 Adult

\$12.00 Child/Concession

\$50.00 Family (2 adults + 2 children)

Children under 3 years of age free.
